Missouri Alliance for Home Care is proud to offer a series of DVDs to prepare your agency for the implementation of ICD-10 coding on October 1, 2015. The series will enable the learner to become familiar with the ICD-10 changes in an incremental fashion. By focusing on 1-2 specific chapters on each DVD the learner will be able to understand organization of the ICD-10 chapter(s), unique features of ICD-10 utilized in that chapter, chapter-specific guidelines, major changes from ICD-9 coding seen in each subject area, and highlight diagnoses more likely to be used in home health. These DVDs will benefit those individuals new to coding as well as seasoned coders.

*Each DVD is \$119 and comes with the Power Point presentation and related handouts. There is no cost for shipping and handling.*
