

Missouri Alliance for Home Care presents...

Overview of Person-Centered Care 1 Hour Aide In-Service

Featuring: Anna Lehrke, MHR, Executive Director,
Care Beyond Words

DATE RECORDED: October 25, 2013

This is a 1 hour pre-recorded educational program.

Learn the care principles of Person-Centered Care, how to improve your care giving skills by incorporating person-centered caring skills into your work, and how this will create better care for your clients with dementia and other cognitive impairments.

Presenter: Anna Lehrke is a recognized leader in training and transformational learning. She empowers participants to change the story of dementia, thus changing the story for all touched by it. Anna has inspired over 2000 participants on the local, state and national level to apply Person-Centered communication techniques in their lives and work. Anna is currently the Executive Director for Care Beyond Words which is a privately owned, St. Louis small business, specializing in Training, Speaking and Consulting for improving Person-Centered Care.

This training was designed to meet the needs of aides who provide a variety of services in the home setting. This training meets the Aide In-Service requirement for the Division of Senior & Disability Services and the Bureau of Home Care and Rehabilitative Standards of the Missouri Department of Health and Senior Services.
