

Missouri Alliance for Home Care presents...

Person-Centered Dementia Care

**Featuring: Anna Lehrke, MHR, Executive Director,
Care Beyond Words**

DATE RECORDED: October 25, 2013

This is a 1 hour pre-recorded educational program.

This recording explores the principles of Person-Centered Dementia care, how to apply them and the importance of articulating Person-Centered Goals of care for clients with Dementia. This 1 hour session will also examine the basic needs that are often unmet when clients are communicating through behaviors.

Presenter: **Anna Lehrke** is a recognized leader in training and transformational learning. She empowers participants to change the story of dementia, thus changing the story for all touched by it. Anna has inspired over 2000 participants on the local, state and national level to apply Person-Centered communication techniques in their lives and work. Anna is currently the Executive Director for Care Beyond Words which is a privately owned, St. Louis small business, specializing in Training, Speaking and Consulting for improving Person-Centered Care.
