Jefferson City, MO 65109 - 4731

Missouri Alliance for Home Care presents...

Chart Your Course for Improvement

- *Reduce Hospitalizations*
- *Improve Transitions*
- *Improve Outcomes*

a three-part teleconference series for all field clinicians,
clinical managers, & quality improvement staff

Presented by

Teresa Northcutt, BSN, RN, COS-C, HCS-D
Teresa Northcutt LLC, Consultant

CHF Management

March 25, 2014 • 9:00 am - 10:30 am CST

COPD Management

April 1, 2014 • 9:00 am - 10:30 am CST

Fall Prevention

April 8, 2014 • 9:00 am - 10:30 am CST

About this series:

As agencies focus on ICD-10 preparation, it is easy to lose sight of other goals; quality outcome and process measures, Home Health Compare scores, CMS and Survey compliance, reducing hospital readmissions, transitional care practices, chronic disease management...the list goes on! Join MAHC for this teleconference series that brings your agency back to the ultimate purpose of home care: providing high quality patient care.

CHF Management

Tuesday, March 25, 2014 • 9:00 am - 10:30 am CST

Objectives:

- Describe disease process and guidance on OASIS items related to CHF
- List evidence-based interdisciplinary interventions for home care patients with CHF
- Use patient education strategies to reduce hospitalization for CHF
- Identify transitional care management strategies to reduce hospitalization for CHF
- Explain outcome and process measure related to CHF
- Examine records for implementation of interventions to improve CHF measures

COPD Management

Tuesday, April 1, 2014 • 9:00 am - 10:30 am CST

Objectives:

- Identify disease process of COPD and OASIS guidance on M1400
- List evidence-based interdisciplinary interventions for home care patients with COPD
- Use patient education strategies and materials for COPD
- Identify transitional care management strategies to reduce hospitalization for COPD
- Explain outcome and process measures related to COPD
- Explain how to audit records for implementation of interventions to improve COPD measures

Fall Prevention

Tuesday, April 8, 2014 • 9:00 am - 10:30 am CST

Objectives:

- Use quality process and outcome reports to determine if falls impact agency performance, including ACH rates
- Identify how to accurately respond to OASIS items M1910, M2250c and M2400b
- Select appropriate tools to assess fall risk in patient population (focus on MAHC-10 tool)
- Identify components of a successful fall prevention program
- Identify how to effectively audit clinical records for fall prevention interventions and formulate an improvement plan

Cancellations: Registrations canceled by 5 p.m. the day prior to a conference will be issued a 90% refund. No refunds will be given for cancellations on or after the conference date.

Continuing Education: MO Alliance for Home Care is an approved provider of continuing nursing education by the Missouri Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Participants will earn a maximum of 1.5 nursing contact hours for each teleconference.

The program planners & speaker have no conflict of interest in regards to these teleconferences.

About our Speaker:

Teresa Northcutt, has 35+ years of experience in healthcare, certified in OASIS competency (COS-C), Homecare Coding Specialist-Diagnoses (HCS-D), and as an AHIMA Approved ICD-10-CM Trainer. Teresa has had experience as a Patient Case Manager, Clinical Services and QI/Education manager with home health agencies (independent, hospital-based and county health dept.), and as a hospital resource nurse, cardiopulmonary patient educator, and quality improvement facilitator. Teresa worked six years for Primaris, the Quality Improvement Organization for Missouri and for the past six years as an independent consultant for Home Health agencies and organizations.
