

OASIS-C2: Focus on Accuracy

A 5-part Webinar Series • 2:00-3:30 p.m. CST

Presented By: Heather Jones, MPH, CHES, COS-C

This nationally-attended, affordable series of 5 webinars will cover the OASIS section by section and discuss the problematic areas and new OASIS-C2 items and provide an opportunity for questions and answers. The Centers for Medicare and Medicaid Services (CMS) require the collection of OASIS items on all appropriate home health patients at several time points. CMS provides both annual and quarterly updates to their guidance on how to appropriately respond to the items. Are you current with this evolving guidance?

These educational webinars will focus on assisting home health clinical staff, QI Coordinators and supervisors who want to increase their knowledge related to OASIS completion. The sessions will identify the items that contribute to the new CMS value-based purchasing model and provide tips for accurate completion. All webinars are from 2:00pm-3:30pm CST.

- **Part One: January 19, 2017**—This webinar will cover the OASIS data collection requirements, general conventions, and CMS resources. The Patient Tracking, Clinical Record will be discussed
- **Part Two: January 26, 2017**—This webinar will cover the Patient History & Diagnoses, Living Arrangements, Sensory Status items
- **Part Three: February 2, 2017**—This webinar will cover the Integumentary Status and Respiratory items
- **Part Four: February 9, 2017**—This webinar will cover the Cardiac Status, Elimination Status, Neuro/Emotional/Behavioral Status, and the ADL/IADL items.
- **Part Five: February 16, 2017**—This webinar will cover the Medication, Care Management, Therapy Need, Plan of Care/Intervention Synopsis, Emergent Care, and Discharge items
