

Missouri Alliance for Home Care presents...

Connecting OT with Outcomes

Webinar for all Home Care Agencies

Tuesday, August 8, 2017 • 9:00—10:30 a.m. CST

Featuring **Karen Vance, BSOT**
BKD, LLP

The practice of occupational therapy focuses on engagement in daily life activities. This webinar addresses how daily routines can be used in the self-management of chronic conditions and how appropriate occupational therapy plans of care contribute to improving self-management, medication management, and reducing hospitalizations, regardless of the diagnosis.

About our Speaker: Karen Vance has been with BKD Health Care Group since 2003, delivering clinical and operations consulting services to home care providers. She also provides reimbursement and compliance consulting services and helps home care providers establish and maintain quality management practices. With home care experience since 1981 as a provider, clinical and regulatory manager, Karen has presented home care seminars since 1988 for national, state and regional health care associations and industry media organizations.
