

Missouri Alliance for Home Care presents...

# Value-Based Purchasing

A 2-part webinar series

**Wednesday, November 1 & Tuesday, December 5, 2017 • 1:00—2:30 p.m. CST**

Featuring **Sharon Litwin, RN, BSHS, MHA, HCS-D**  
Founder and Senior Managing Partner, 5 Star Consultants, LLC

Home Health Value-Based Purchasing (VBP) Model is expected to improve coordination and health outcomes in home health. CMS pilots have been underway in 9 states since January 2016. But don't think if your state isn't in the pilot that you won't have to deal with it, as the continued transition away from fee-for-service payment models toward value-based purchasing is looming over all of healthcare!

- **Part 1: Overview & Updates Plus Improving Outcomes in Preventing Unplanned Hospital Care (November 1):** Be sure to get all of the information regarding what you can do to prepare. What outcomes do you need to improve now that will effect you for the future? How to analyze outcomes and what you can do to improve them. Focus of this webinar will be the overview of VBP and how to reduce your hospitalizations and emergent care admissions.
- **Part 2: Strategies to Improve Your Agency Outcomes in Medications, Dyspnea and Pain (December 5):** This webinar on VBP outcomes will help you to increase outcomes in the following critical clinical areas: Medications, Dyspnea and Pain. Learn to "think outside the box" as other home care organizations have done to successfully increase their patient outcomes. Learn what you can improve now so that you are ready for VBP.
