

ORDER TODAY! 2023 Home Health Agency Annual Report Data

Home health agencies in Missouri must provide annually certain information to the Bureau of Home Care and Rehabilitative Standards of the Missouri Department of Health and Senior Services. Missouri Alliance for Home Care's Annual Report Data Book and Disk are compiled based on that information provided by home health agencies.

Book—Data is compiled and printed out in book format, organized, and placed in a 3-ring binder for easy access.

CD or ELECTRONIC FILES – These files provide you with access to the data to sort, compare and analyze in any way (i.e., visit ratio comparison of for-profit versus not-for-profit agencies in various areas of the state; visits per admission benchmarks, etc.). This is a great way to access information on market share by county or diagnosis information.
