December 13, 2017 - Billing & Audits:

During this webinar you will hear about upcoming initiatives to improve provider education, beginning upon enrollment and continuing thereafter. Provide your input and ideas. Learn what's ahead in 2018 regarding the focus of audits. Feel confident you're maintaining adequate documentation, taking the necessary steps to ensure you have qualified caregivers, and billing correctly.

December 19, 2017 – Updates, Hot Tips & Electronic Visit Verification (EVV) Usage:

“Where are we” in 2017 with Electronic Visit Verification (EVV)? Are there changes to come? Are there any program or regulatory changes on the horizon? Take part in the discussion regarding the requirements involved in being a home and community based provider, learn how to ensure you are in compliance, and discuss new EVV requirements that are part of the 21st Century Cures Act.

About our Speaker: **Jessica Dresner** is the former director of Missouri Medicaid Audit and Compliance and now serves as the Operations Director at the MO HealthNet Division. Jessie is excited to take the knowledge and relationships she acquired while at MMAC and put them to use to lead an initiative to enhance and improve provider education services and materials at MHD.
