

# The Aide's Role in Understanding CVAs

A Webinar • Thursday, June 13, 2019 • 2:00—3:00 p.m. CST

Presented by **Jane Garrett, RN, BSN, MHSA**

In this webinar, it will be discussed how 80% of all strokes can be prevented with healthy behaviors, long term effects of a stroke may be minimized with immediate treatment and more people are surviving and beating stroke.

Use this session to meet your training requirements. All in-services emphasize the role of home care aides in observation and reporting. It is the responsibility of the home care company to determine if this workshop meets the specific requirements of its aides. The Missouri Department of Health & Senior Services affirms that this session meets the requirements found at 484.36[b] of the Medicare Conditions of Participation and for in-home service companies, this session meets the required standard for on-going training of aides.
