Dementia Core Skills Training

60-Minute Training Program

Frequently Asked Questions

Will this training program meet state dementia-specific training requirements for my employees?

YES! The video and handouts meet the Department of Health & Senior Services, the Bureau of Home Care & Rehab Standards, and the Division of Senior & Disability Services regulatory requirements related to Alzheimer's training.

What topics are covered in this training?

The training covers the following topics:

- A. An Overview of Dementia
- B. Communication
- C. Behaviors
- D. Activities of Daily Living
- E. Working with Families

Will I receive handouts or additional information with the training?

YES! Each DVD will come with a copy of the handouts on a separate CD; the video link will come as an email and will have the handouts attached. The contents of the handouts are a culmination of relevant topics assembled from AGE-u-cate.

What formats are available for this training?

This training is available in either DVD format or Electronic Link, sent via email, both complete with handouts.
