

2020 MAHC Electronic Visit Verification Virtual Summit

Wednesday, December 9, 2020

9:00 a.m.—1:00 p.m.

Target Audience: Missouri personal care providers

Are you ready for EVV?
 Does your current system meet federal/state requirements?
 Would you like a review of the newly proposed Missouri EVV Regulations?
 Would you like a “1 stop shop” to view a variety of EVV systems available?
If you answered YES to any of these questions—you won’t want to miss this event!

The Missouri Alliance for Home Care is excited to announce our LIVE **2020 EVV Virtual Summit**, on Wednesday, December 9th. The LIVE Summit will include presentations from various state departments/division staff on Missouri’s new EVV regulations, audit and compliance expectations/timelines, aggregator status & general updates.

Don’t miss out on this informative opportunity, as MO HealthNet continues to move forward to implement the federal EVV mandate. Missouri will operate an open system model allowing personal care agencies to use their current EVV vendor or choose any vendor that can collect and transmit the required data elements.

To assist agencies in making an informed purchasing decision, whether it be an agency without a current EVV vendor, or one wanting to switch, the LIVE EVV Summit will showcase demo’s from the two EVV Summit sponsors. Registration for this event also includes access to our **virtual exhibit hall showcasing a variety of EVV vendors**. The virtual exhibit hall will be open to registrants through January 31, 2021 to allow ample time to visit vendor booths.

Speakers include:

Terry Woodward, Strategic Initiatives Manager, MO HealthNet Division, Department of Social Services, Jefferson City, MO
Dale Carr, Director, Missouri Medicaid Audit and Compliance (MMAC), Jefferson City, MO
Travis West, Bureau Chief, Division of Senior & Disability Services (DSDS), Jefferson City, MO
