Building Home-Based Palliative Care: A Starter Series

3-Part Webinar Series • April 23rd, May 28th & June 25th, 2025 • 12:00 — 1:00pm CST

As the demand for compassionate and specialized care grows, home health professionals play a critical role in delivering palliative care to patients with serious illnesses. This webinar will provide an in-depth look at how home health agencies, nurses, and caregivers can integrate palliative care into their patient population, ensuring comfort, dignity, and quality of life for patients and their families.

By participating in this webinar attendees will:

- ◆ Understanding a Needs Assessment
- ◆ Learn the different types of models for a Palliative Care program
- ◆ Understanding staffing considerations and staffing models
- ◆ Learn the costs of starting and maintaining a Palliative Care program

Series Schedule:

Part 1: April 23—Palliative Care – Business Case and Start Up Considerations

Explore the financial rationale and initial steps for establishing effective palliative care services

Part 2: May 28—Palliative Care – Staffing Models

Discover optimal team compositions and staffing approaches for diverse care settings

Part 3: June 25—Palliative Care – Growth, Documentation & Coding
