

## LICENSE AGREEMENT

### IMPORTANT-CAREFULLY READ THIS LICENSE AGREEMENT

Due to the proprietary nature of the information contained in the Product, the purchase made by you is non-refundable. If you do not agree to or do not understand the terms of this agreement, you may contact Home Health Systems via e-mail at [info@homecareandhospice.com](mailto:info@homecareandhospice.com); by phone at 1-800-961-7122, or in writing at P.O. Box 21704, Saint Simons Island, GA 31522. By accepting these terms and conditions set forth either in an electronic format, by opening the sealed packaging of the paper manual, or by retaining or using any of the Product in any way, you are agreeing to be bound by the terms of this agreement. This Agreement is between the Licensee ("you") and Home Health Systems, Inc. regarding the licensing of the Home Care Infection Prevention and Control Program ("Product").

**Ownership.** The copyright, database rights, and all other intellectual property rights in the programs and data that constitute the Product, together with the media on which it is supplied to you are, and will remain the property of Home Health Systems, Inc. This Agreement does not constitute the sale of the Product or any copies thereof.

**Grant of License.** Home Health Systems, Inc. grants to you a non-exclusive, limited, royalty-free, non-transferable license and permits you to use, modify, and include the Product as part of a comprehensive policy and procedure compendium for a fee as follows:

(a) Single-User License. If you have purchased a single-user license you have the right to install and use a single copy of the Product on one computer or workstation. You may not store, install, or operate the Product on a storage device such as a network server, over an internal network or on the Internet, nor electronically transmit any part or all of the Product from one computer to another or over a network. You must obtain additional licenses before installing the Product on more than one computer, machine, server, or network under a multi-user license.

(b) Multi-User License (if applicable). The multi-user licensing fee is discounted from the current retail price of a single-user license for the Product for each additional license. If you have purchased a multi-user license you have the right to install a copy of the Product on multiple computers up to the number of "Licensed Copies" that you have purchased as identified on the billing invoice. You are responsible for duplicating and distributing the Product for use in accordance with the terms of this license, and for monitoring the number of copies of the Product installed and used by your organization. If updates to the Product are purchased, they must be purchased for the same number of licensed copies as the number of licensed copies issued on file with Home Health Systems. One copy of the Product update will be provided to you and you will be responsible for duplicating and distributing the Product for use in accordance with the terms of this license, and for monitoring the number of copies of the Product installed and used by your organization. Individual upgrades may not be purchased for the Product under a multi-user license agreement. Each licensed copy may be accessed through a network, provided that you have purchased a licensed copy for each workstation that will access the Product through the network, regardless of whether the workstations will access the Product at different times or concurrently.

(c) Copies. You may make electronic copies of the Product for backup and archival purposes only. Photocopies of the policies may be made at the request of an accrediting body, CMS, state and federal agencies, liability insurance company requests, and certain legal matters such as patient litigation and certain subpoenas if applicable and as needed for the proper operation of your organization for education purposes. The copies must include all copyright information contained in the original Product. Photocopies of the Product may be made for use up to the number of licensed copies purchased by your organization. For instance, if a single copy of the Product is purchased it may not be copied and distributed to a site or location other than the one that purchased the single-user license.

**Restrictions.** You may not:

1. Give, transfer, or sell copies of the Product, in whole or in part to any third party;
2. Use the Product in whole or in part in any print or electronic media that is for resale or redistribution without written permission from Home Health Systems;
3. Assign this Agreement to any other individual or entity, or authorize the use of the Product, nor rent or lease the Product to any other individual or entity;
4. Reverse engineer, modify or disassemble, or decompile the programs or in any way attempt to discover or reproduce the source codes, techniques, formats, concept, methods, ideas, or information contained in or used to create the programs included in the Product;
5. Create derivative works from the Product; or
6. Duplicate or distribute all or any part of the Product in any form or media or by using any technology, whether now known or later discovered.

Certain breaches may result in Home Health Systems pursuing legal remedies against you, specifically, but not limited to, unauthorized and unpaid use at multiple sites, copying and/or reverse engineering the program, and commercial use of the product.

## LICENSE AGREEMENT

**Copyright.** All data, all documentation, and software within the Product are protected by copyright and other intellectual property laws. Any permitted copies must include identical copyright and proprietary notices as follows: © 2006-2015 Home Health Systems, Inc. All rights reserved.

**Disclaimer.** This Product is designed to provide accurate and authoritative information in regard to the subject matter covered. It is sold as a guideline in meeting compliance with regulatory requirements governing the practice of healthcare. The policies and procedures contained should be reviewed and requests made to Home Health Systems to customize the Infection Prevention and Control Program manual to meet local or county regulatory requirements and your unique needs. You understand that the author(s) and the publisher are not engaged in rendering legal or medical advice. To the best of Home Health Systems' knowledge, these policies and procedures reflect currently accepted clinical practice and regulations. The policies and procedures should not be used to replace any medical advice or treatment. Rather they are intended to be used by home care and hospice professionals to augment their clinical and operational practice. If such advice or other expert assistance is required, the services of a competent professional person should be sought. Rather, they are intended to be used by healthcare professionals to augment their clinical and operational practice.

**Warranty.** All data, software, and documentation, are provided "as is" without any other warranties or guarantees of any kind, either expressed or implied including, but not limited to any implied warranties of merchantability, any warranty of performance, fitness for a particular purpose, or ability to achieve a particular result. You assume the entire risk as to the selection, use, efficiency, and suitability of the licensed product, quality and performance of the data, materials, and documentation contained in the Product. Home Health Systems and its affiliates, agents, distributors, and licensors cannot and do not warrant the accuracy, completeness, currentness, non-infringement, merchantability, or fitness for a particular purpose with respect to the Product, Home Health Systems, or the use thereof. Neither Home Health Systems nor its licensors, distributors, or affiliates make any warranty that the Product is compatible or operable with the user's computer equipment or software, or that the Product will perform without interruption or be free of errors.

**Limitation of liability.** In no event will Home Health Systems, Inc. nor its licensors or affiliates be liable to you under any claim, demand, or action arising out of, or relating to, your use of the Product, nor the performance of the Product or lack thereof under this agreement for direct, indirect, incidental, consequential, special, or exemplary damages, even if such party as been advised of the possibility of such damages, without limitation, loss of revenue, anticipated profits, or other business loss or damages caused by the inability to use the Product, whether or not the Product or its licensors or affiliates have been advised of the possibility of such claim by any other party. In no event shall the liability of Home Health Systems, Inc. exceed the fees, if any, paid to it by you under this Agreement.

**Term of license.** This license is effective until terminated. This license will be terminated automatically without notice from Home Health Systems if you fail to comply with any terms of this Agreement or if you desire to discontinue use of the Product. Upon termination, you shall cease using the Product, remove the Product from all of your computer(s)' components, destroy the original and any authorized copies of the Product and its related-materials.

**License Fee.** The initial license fee for the Product shall be paid contemporaneously with the execution of this Agreement by you. All update fees, if any, shall be paid in full prior to the delivery of the product. If updates to the Product are purchased, they must be purchased for the same number of licensed users as the initial license fee. One copy of the Product update will be provided to you and you will be responsible for duplicating and distributing the Product for use in accordance with the terms of this license, and for monitoring the number of copies of the Product installed and used by your organization. Individual upgrades may not be purchased for the Product under a multi-user license agreement. Only customers that have registered the software will be eligible to purchase the annual update at the discounted price. Once an update is purchased, the updated Product(s) shall be used in accordance with this Agreement.

**General.** This Agreement represents the entire agreement between you and Home Health Systems, Inc. respecting the subject matter hereof, and supersedes any prior purchase order, invoice, communication, advertising, or verbal representations. This Agreement may be amended only by a written amendment. This Agreement is governed by the laws of the State of Georgia. This License will be binding on your agents, heirs and representatives. If any provision(s) of this agreement are found to be legally invalid, the other provisions shall remain in effect. All rights that are not expressly granted to you by this Agreement belong to Home Health Systems, Inc.

Effective: February 24, 2008
