

This is a courtesy notification. As a Consumer Directed Services (CDS) participant, you are assessed taxes based on your attendant working for you. Your home care provider should pay the taxes for you but may not have done so. You will be held personally responsible for any outstanding taxes that your home care provider has not paid. Call the IRS 1-800-829-0115 to find out if and how much you owe. If you find that your home care provider has not paid your taxes, you can file a complaint with Medicaid by calling (573) 751-3285.

221 W. High St.
