Register today to attend these Home Care Industry Regional Meetings that will give providers an opportunity to come together in convenient locations throughout the state to hear from MAHC leaders and network with other providers on the issues facing the home care industry today and in the future. All MAHC members are welcome.

Members of the MAHC Board of Directors and MAHC's Executive Director, Carol Hudspeth, will present information of importance and an update on key issues impacting home care providers. Discussions will include information relevant to all home care provider types: In-home/CDS, private duty, hospice and home health.

We also want to hear from you! What issues are important to you? What can MAHC do to improve our member services? This is your association and we want to provide you with the best information and services for you to succeed.

**Tentative Agenda Includes:**
