

# **2021 MAHC Annual Virtual Conference and Home Care Exhibition**

## ***“Navigating the Future”***

**LIVE June 29<sup>th</sup> & 30<sup>th</sup> –  
followed by 60 days of additional access**

### ***Where do I need to go to attend the conference?***

The conference is completely online, so it is accessible from anywhere you have internet access. Once registered, you will receive an email directly from Acelevents with information on how to access the virtual platform.

### ***How long is the conference?***

The conference is open for 60 days following the LIVE portion held on June 29 and June 30.

### ***What are the workshop topics and who are the presenters?***

Please view our conference brochure of workshop descriptions and presenters [here](#).

### ***Is there a fee for the conference?***

Although we would love to offer it for free, it is quite expensive to host a conference (even virtual). So, unfortunately, we do need to charge a fee. We do offer several registration options to accommodate everyone who would like to participate. And the BONUS for you is that there are no travel costs! Please click [here](#) for the registration form.

### ***Are the workshops live presentations?***

On June 29-30, both General Sessions will be presented live (and recorded) and select breakout sessions will include a live Q&A portion with the speakers. There are over 40 pre-recorded workshops. After the live portion on June 29-30, you will have access to all workshops 24hrs/day, 7 days/week for the duration of the conference to view sessions.

### ***How long is each workshop?***

Each workshop is between 30-90 minutes long. The length of each workshop is included in the workshop description post in the virtual platform.

***Are the workshops accessible after the conference dates?***

No. You will have access to the conference site for the entire 60-day duration only. You can view any workshop as many times as you would like during that duration.

***I did not attend the LIVE 2-day portion, now am ready to view all recordings, but no sessions are showing up as available.***

Be sure to “turn on” the “Show Past Sessions” button on the upper righthand section of the page. Also, be sure “All Dates” is selected from the drop-down menu directly above the “Show Past Sessions” button.

***Will there be handouts available?***

Yes. You will have access to the handouts each presenter provided within the virtual platform. Once you have entered/clicked on a session, the handout is located under the “Documents and Links” heading.

***I always enjoyed the Awards Luncheon. Will I know who the 2021 Winners are?***

Yes. We are excited to bring you access to this year’s award winners! All 2021 award winners and their presentations are listed as breakout sessions and are available at the end of the listed agenda.

***Is there any CE available and do I get a certificate for attending the conference?***

Therapy – all sessions have been approved for continuing education hours in co-sponsorship with the Missouri Physical Therapy Association. To receive therapy credits you will be required to fill out the verification of attendance, mark each session you attend, and complete the evaluation for that session.

Nursing – due to the change in format from live to virtual MAHC will NOT be offering our normal Nursing CE’s through Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. However, nurses will receive a certificate of attendance. To receive the certificate, you will be required to fill out the verification of attendance, mark each session you attend, and complete the evaluation of that session.

***How to I obtain a Verification of Attendance/CE booklet?***

The Verification of Attendance/CE Booklet can be found and downloaded from the Main Conference page under the “Info Desk” tab.

***Will there be an Exhibit Hall?***

Yes! Conference attendees will have the ability to connect with sponsors/exhibitors through the Expo Hall or Sponsor tab. Simply click on their square to access their information, company details and offers, request a meeting, chat with representatives, etc.
