

Do I Still Need A Good Cause Waiver

Webinar Recording With Disqualifying Factors Resource Guide

Presented by: Carol Hudspeth, Executive Director, MAHC

&

Lowell Pearson, Attorney, Husch Blackwell

Effective August 28, 2018, Missouri House Bill 1350 established modified provisions related to criminal history records for Home Health, In Home & CDS providers by changing the background screening disqualifiers from “any FCSR finding” to a defined list of findings.

The Missouri Alliance for Home Care is proud to bring you this training to help home care providers further understand the implications of the new requirements of HB1350 and to assist you in determining what may require a good cause waiver and in updating your internal hiring policies & procedures. Included with the recording is a resource guide/chart that lists the disqualifying factors requiring a good cause waiver pursuant to section 192.2495, RSMo.

As a member benefit this valuable training is FREE to MAHC members, however an order form is required. Non-members will be charged a nominal fee to receive this information.

How it works: Complete the order form below and return to the MAHC office by fax, email abby@mahcmail.org or by mail (and with payment if applicable). For each company that orders, the contact person listed will receive an email confirmation with instructions on how to access the recording and handouts.
