& Melinda Gaboury, CEO, Healthcare Provider Solutions Inc.

Hospice Final Rule & Compliance Update 2018– Presented by: Katie Wehri, BSBA, CHPC

This webinar will address the provisions and details of the federal hospice payment rule and hospice quality reporting program update with a particular focus on what can be inferred from CMS' comments made in the update and rule. Practical suggestions for how to deal with the current environment and likely future will also be provided.

Hospice Reimbursement Update– Presented by: Melinda Gaboury, CEO

The Hospice regulations for the last few years have implemented adjustments and changes to the billing process that are tedious and difficult to handle. This webinar will give billers and collectors the information to assist them in continuing to thrive in the current system and will address any current issues related to home health billing and reimbursement. PEPPER has become more important than ever in light of CMS-initiated Targeted Probe and Educate. This webinar will address all the things that the Hospice PEPPER reports convey about your billing data. Don't miss this eye opener.

Presenters: Katie Wehri, BSBA, CHPC has 25+ years in the hospice, home health, private duty and palliative care industries holding various executive level positions in these arenas. She has extensive experience in operations, healthcare regulation and accreditation standards interpretation and compliance, quality assessment and performance improvement programming and compliance programs. She has worked for hospices in a variety of settings including multiple locations in multiple states, hospice inpatient unit, pediatric hospice, and adult and pediatric palliative care.
