From Department of Health:

**** LOCATION HAS BEEN CHANGED. We are very pleased at the overwhelming response of those who plan to participate in this process. Please note that the location has been changed to accommodate more attendees. See details below. ****

Nursing Facility Level of Care Stakeholder Meetings

June 25th 10:00 – 11:30 a.m.

July 13th 10:00 – 11:30 a.m.

August 2nd 10:00 – 11:30 a.m.

Missouri Department of Health and Senior Services invites you to join us as we work towards an updated nursing facility level of care eligibility system.

- ✓ **Who should come?** Nursing facility level of care is the eligibility criteria for the following services. If you or a loved one currently receive the following services, you should consider joining. Advocates, providers, and other partners should also join.
 - Skilled nursing facility
 - State plan personal care, including consumer-directed services, in-home services, and personal care in a residential or assisted living facility.
 - Adult Day Care Waiver
 - Aged and Disabled Waiver
 - AIDS Waiver
 - Independent Living Waiver.
- ✓ **What will happen at the stakeholder meetings?** The meetings will be a progressive series of steps to collaboratively develop an updated level of care. During the first meeting, we will gather feedback on what is working or not working in the current model, as well as request suggestions for change. In the second meeting, we will

present a model for a new level of care based on the first meeting's feedback, and during the final meeting we will look forward to recommendations for change and gather any final comments.

- ✓ **Where will the meetings be?** Because the department wishes to involve stakeholders throughout the process of development of a new level of care, the meetings will be held in a centralized location in the State to ensure all are able to travel within one day. We encourage you to attend all of the meetings, or as many as you are able to. All meetings will be held at:

Holiday Inn Executive Center, Picadilly's Room
220 1-70 Drive SW
Columbia, MO 65203
573-445-8531

- ✓ **How do I register?** Because space is limited, please RSVP by emailing LTSS@health.mo.gov or calling **573-526-8557**. Please include your name, organization, email and phone number when registering. If you are unable to attend in person, but would like to listen in, please contact LTSS@health.mo.gov and conference line information will be provided.
