

Disaster Preparedness Regulations - Webcast

Missouri Alliance for Home Care in partnership with RBC Limited!

On 09/09/2016, the Final Disaster Preparedness Regulations were published. The final rule establishes national emergency preparedness requirements for Medicare- and Medicaid-participating providers and suppliers to plan adequately for both natural and man-made disasters, and coordinate with federal, state, tribal, regional, and local emergency preparedness systems.

Missouri Alliance for
HOME CARE

This includes home care, hospice and PACE programs. These regulations are very comprehensive and will require a significant amount of man hours to achieve compliance. Attached is a link from a [New York Times article](#) discussing this point.

In order to assist agencies to understand the final regulations, we are offering a 60 minute webcast.

This session ([Item #605-L](#)) will be available for repeat viewing for one-full year to anyone that orders the webcast. Some of the topics will include:

- Risk assessments
- COOP planning
- Healthcare Coalition Partnerships
- Drills and exercises.

Please click below to register for the webcast [Item #605-L: Final Disaster Preparedness Regulations](#).

After clicking on the "Add" button, then go to "Click Here When Done." On the next screen, enter the State Code **MAHC** in the "State Code" box (**NOT** the Discount Code box) . Hit update cart and then check out by paying with a credit card or the pay by mail/check option.
