Important Information: MAHC is exempt from income tax under Internal Revenue Code 501(c)(6) as a trade association and, as such, dues and/or contributions to MAHC do not qualify as deductible charitable contributions.

Please Note: Due to congressional action which eliminates the deductibility of lobbying expenses, MAHC reasonably estimates that only **88%** of MAHC membership dues may be deductible as an "ordinary and necessary business expense" for federal income tax purposes. Consult an attorney or tax advisor if you require further information on this law.
