

Attention MAHC Members

The MAHC Nominating Committee is asking for your help.

The Nominating Committee is soliciting nominees for the four Board of Directors' positions that will be open in 2020 for the Missouri Alliance for Home Care Board of Directors. We need your help! This is your opportunity to nominate yourself or another MAHC provider member for consideration.

If you or someone you know would represent the Missouri home care industry as a Director, complete the form today and return it to the MAHC office by **December 20, 2019**. The Nominating Committee will contact all nominees to confirm their willingness to serve and to secure a resume and other material for consideration after the nomination phase is concluded. **All nominations must be received (mail, email or fax) or postmarked by December 20, 2019 to be considered.**

The Nominating Committee will develop a slate of nominees from the names of individuals proposed by the membership. The Nominating Committee evaluates the nominees, keeping in mind the goal to prepare a slate representative of the MAHC membership that includes provider representation from all areas of the state, each industry provider type and different areas of professional practices within those provider types. Nominees should be able to represent the entire industry in addition to their special interest. However, the Nominating Committee may not fill all vacant positions if not enough qualified nominations are received.

Consideration is given to geographical location and company demographics. In addition, individual candidates are evaluated based on several criteria including their involvement on MAHC committees and the number of years the individual has been in home care. **This year strong consideration will be given to member companies that are:**

- **Hospice**
- **Government Based**
- **Hospital Based or Health System Affiliate**
- **Serving the Northern & Southeastern (Bootheel) regions of Missouri**

A description of eligibility and responsibilities for MAHC Board members, along with the nomination form, are enclosed. Also included is a list of the current members of the MAHC Board of Directors. This list indicates Board members with expiring terms.

- **Nominations must be received (mail, email, or fax) or postmarked by December 20, 2019.**

- **Late nominations will not be considered by the Committee.**
